Information and registration form

Important

Booking flights

Flights are booked through FCm Travel Solutions. Rural Health West will guarantee to pay only for flights booked on a 'Super-Saver' fare basis. These can still be changed, if need be, at a charge to the passenger. Fees for changes to tickets are not reimbursable by Rural Health West.

Passengers may find that they need to book early to access the 'Super-Saver' fares as only limited numbers of these are available on any particular flight. After 10 June 2009, should the 'Super-Saver' not be available for the requested flight, the passenger will be asked to pay the difference in cost between the 'Super-Saver' fare and that actually paid.

Should you wish to travel to or from Perth outside of the conference dates, your fare can still be covered by Rural Health West on condition that no additional expense to the company is incurred.

Please contact FCm Travel Solutions as soon as possible to book your flights by emailing Angela Penberthy at angela.penberthy@fcmtravel.com.au with the following information :

- Names of travellers as per their personal ID
- City/town they are coming from
- Preferred dates of travel – am or pm preferred
- Contact numbers – ideally a mobile and a landline
