

RURAL DOCTORS

BROADCASTS

Obstetrics

Hosted by Gerry Gannon

Tuesday 3 March 2009 • 7.30pm-8.30pm (WST) • Channel 23 on your decoder

One hour program consisting of:

- 1** Discussion sessions with obstetricians Dr Anne Karczub from King Edward Memorial Hospital and Dr Barney McCallum from Kalgoorlie.
- 2** Discussion of early bleeding with GP obstetrician Dr Andrew Kirke from Kalgoorlie.
- 3** Discussion of models of shared care with Dr Mostyn Hamdorf and the team from Dunsborough Medical Centre as well as GP obstetrician Dr Peter Kell from Peel Maternity and Family Practice.
- 4** Discussion of Rural Health West's training and support programs for rural Obstetrics.

Topics to be discussed include:

- delivering First Trimester Screening tests in the country;
- managing obesity and hypertension in pregnancy and childbirth;
- premature labour; and
- when to 'bail out'.
